Why RetailFX?

Because we are a reputable broker known for our professionalism and excellent trading conditions. Here are some of the leading factors that make us a leader in the financial trading industry:

Forex for Pros

Retail FX Limited brings you **online forex, commodities and indices trading** with a difference. Here you will find **professional and reliable** FX trading, an unparalleled assortment of online trading tools, and an infinite **commitment to our clients**, all in order to provide you with the **best financial trading experience**.

Your own trading coach 24/7

Our **professional account managers** will assist you 24/7 with any question, problem or request you may have. Furthermore, they will guide you with **1 on 1 trading sessions** and will inform you about trading opportunities and offer you exclusive benefits according to your trading needs.

Bottom spreads. VIP accounts

RetailFX offers **immediate trade executions**, competitive spreads - **as low as 2 pips**, a wide range of leverages, and best of all **VIP accounts** with absolutely zero commissions. You can also use the demo version of our platform to practice your forex skills with virtual money.

CFDs are leveraged products. Trading in CFDs related to foreign exchange, commodities, financial indices and other underlying variables, carry a high level of risk and can result in the loss of all of your investment. As such, CFDs may not be suitable for all investors. You should not invest money that you cannot afford to lose. Before deciding to trade, you should become aware of all the risks associated with CFD trading, and seek advice from an independent and suitably licensed financial advisor. Under no circumstances shall we have any liability to any person or entity for (a) any loss or damage in whole or part caused by, resulting from, or relating to any transactions related to CFDs or (b) any direct, indirect, special, consequential or incidental damages whatsoever. Trading with eToro OpenBook by following and/or copying or replicating the trades of other traders involves a high level of risks, even when following and/or copying or replicating the top-performing traders. Such risks includes the risk that you may be following/copying the trading decisions of possibly inexperienced/unprofessional traders and the overall risk associated in CFD Trading or traders whose ultimate purpose or intention, or financial status may differ from yours. Past performance of an eToro's OpenBook Community Member is not a reliable indicator of his future performance. Content on eToro's OpenBook is generated by members of its community and does not contain advice or recommendations by or on behalf of eToro Online Trading.
